

Measure the temperature.
 Write it below the graph under today's date.
 Graph it.
 EVALUATE whether it is safe!

Name _____

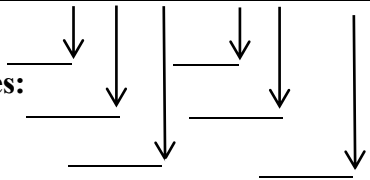

SALMON SAFETY

Aquarium Temperatures

Record and graph these temperatures:

- Day 10 48 °F
- Day 11 47 °F
- Day 14 49 °F
- Day 15 58 °F

Is the temperature safe
 on the 10th? Yes/No
 on the 14th? Yes/No

on the 11th? Yes/No
 on the 15th? Yes/No

On which day should you tell your teacher something is wrong? _____

IF the temperature is outside the Goldilocks Zone → IT'S NOT SAFE
 TELL YOUR TEACHER something needs fixing!
